# Past Presenters:

## Chicagoland QuickBooks® ProAdvisor Group

We are a networking group that meets once a month in the Chicagoland area and we have a Yahoo Group. The purpose of this group is to give other QuickBooks® Professional Advisors a place to go where they can swap ideas, knowledge, support issues and resolutions with other members.

It's a great place to network with other advisors!

In addition we also look at other third party vendors that interface with the QuickBooks® software. Members are comprised of bookkeepers and accountants that have clients that utilize QuickBooks®; some of their Logos are featured here. We also have training on various QuickBooks® topics and are recognized by Intuit.

We promote additional outside functions such as the Sleeter® Group Conference and the Illinois CPA Society® Tech show, along with other events specifically for our membership.
